

MAIGHISTIR-SGOILE—Tha an t-ìomradh aca a' nochdadh dà nì gu glé shoilleir. An toiseach, gabhaidh cùntas a dhèanamh air a' chuid sin de ìommhas na rìoghachd a thàtar a' cruinneachadh is a' cosg an Albainn, eadar-dhealaichte bho Shasann. Ach bhiodh e gu math draghail is cosgail sin a dhèanamh. Anns an dara àite, chan eil iad a' faicinn rian no dòigh air eadar-dhealachadh a chur eadar malairt na h-Albann agus malairt Shasainn. Tha gnothaichean is cùisean-marsantachd an dà dhùthcha air an co-cheangal is air an co-mheasgadh ri chéile gus a leithid de ìre is nach gabh roinn a dhèanamh orra. Dh'fheumteadh oifigearan-cuspaing a chur air a' Chrìch gus sùil fhurachail a chumail air gach badhar a thàtar a' giùlan eadar an dà dhùthaich, is cha bhiodh anns an obair sin ach cùis-dhragha is aobhar-aimhreit, is bu daor an ceannach air.

DOMHNALL—Ah, uill, taing dhuibhse, a mhaighistir; tha sinn gu mòr 'nur comain.

DONNCHADH—Beannaich mi! Seall an uair a tha e! Feumaidh mi ruith.

MAIGHISTIR-SGOILE—Slàn leibh le chéile!
