

GAIRM

*Ach do thoirt gu àite suarach
a dheanadh tàire air do ghaol
ged bu armachd dha an treuntas
bu luaithe bha 'n ealtainn no 'n sgaoth.*

*Ged bu dhà féile na maidne
a b' àille chunnaic suil òg
o'n chaidh air tìr an Gleann Eite
ceathrar ainmeil a' bhròin.*

*Do Ghleann Eite-sa 'na shlocan
sgreagach fuaraidh gun chur.
's do Ghleann Da Ruadh 'na àite creagach
gun bheinn uaibhrich no muir.*

*So an t-àite mu dheireadh
an déidh bòsd curanta do spéis,
an ceann thall far nach eil tilleadh
ach bristeadh cridhe 's uaill gheur.*
