

## Taing

Once again, we offer our grateful thanks to those people who have contributed to the Gairm Establishment Fund. The following have sent donations since the date of publication of the last edition of the magazine, and we know that there are many who still intend to donate. Most of you have now seen *Gairm*. If you enjoyed it, will you please make a special effort this winter to put it on a secure financial basis. And while we are appealing to the generosity of readers, may we please add to our appeal. Many may not be able to contribute to the Establishment Fund. Everybody can find one more person prepared to pay ten shillings for a year's subscription!
