Jean Dougall Macdonald

MANUFACTURING FURRIER

I shall be glad if Ladies will kindly accept this invitation to view my collection of New Season's Furs.

There is nothing in the world of Furs which cannot be dealt with in my most up-to-date workroom, whether in the case of Repairing, Remodelling, Dyeing, Cleaning, Shortening, Lengthening, or Relining.

340-342-346 SAUCHIEHALL STREET
GLASGOW, C.2.
